How likely are you to recommend our GP Practice to friends and family if they need similar care or treatment?

Can you tell us why you gave that response?

I came to see Richard the Physio man to help with my back, BUT sitting on your seats was very unkind as it made my back worse, my suggestion would be to ask a man who knows about back and posture as your seats do not fit into the back lower spine area and are far to straight for sitting, personally I will stick to Merley Surgery.
