

# Have you claimed Pension Credit yet?

Pension Credit can provide older people with additional financial support, boosting their income to cover daily living expenses. By claiming you may also become eligible for other benefits, such as Housing Benefit, Council Tax Support, free TV licenses, and will continue to receive the Winter Fuel Payment. It is tax-free, and available even if you have savings or own your home.

We can help you to check whether you are eligible, and help you to apply. Call our advice line on 0808 278 7939, or visit us at Bournemouth Civic Centre, Poole Library, or Christchurch library.
