Spread of responses

How likely are you to recommend our GP Practice to friends and family if they need similar care or treatment?

Can you tell us why you gave that response?

We have had excellent care and support from the practise

I used e-consult, sending my symptoms at 22.30 on a Tuesday evening. The DR replied (telephone call) the next morning at 08.40. What a tremendous service. By the end of the afternoon I had started my treatment - that's less than 18 hours after I made first contact! I think that's incredible. Well done and thank you.
